Qualifying business account and capable device required. Qualifying credit, deposit, \$10 SIM card, and, in stores & on customer service calls, \$30 assisted or upgrade support charge may be required. U.S. data only; does not include voice, messaging, roaming or international service. Not combinable with some rate plans. **After monthly data allotment plans incur \$2/GB charge (partial megabytes rounded up). Customers on \$70 plan will see lower speeds than other customers during times of network congestion due to data deprioritization.** We notify you of approaching use thresholds via SMS; review your device's user manual to ensure receipt; may require third party software. Log in to your T-Mobile account to see usage. May be limited to 10 simultaneous connections per line. Monthly Regulatory Programs (RPF) & Telco Recovery Fee (TRF) totaling \$1.40 per line (\$0.12 for RPF & \$1.28 for TRF) apply. Video streaming resolution depends on available speeds. For best performance, leave video streaming applications at their default resolution setting. **Coverage** not available in some areas. **Network Management:** Service may be **slowed, suspended, terminated, or restricted** for misuse, abnormal use, interference with our network or ability to provide quality service to other users. See T-Mobile.com/OpenInternet for details. **See Terms and Conditions (including arbitration provision)** at www.T-Mobile.com for additional information.
